

Careers in the Social Sector

Ten Years Time hosts monthly careers insight evenings for those with an interest in a career in the philanthropy space. We also discuss more generally education, social enterprise and international development.

Members of Ten Years Time will speak about the work that we do at the philanthropy advisory firm, as well as speak about their individual roles and own career tracks and experience. At the session there will also be staff present from The Social Investment Consultancy (TSIC), our social impact advisory sister company and Future First, an education social enterprise that TSIC founded and incubated.

The session will also include an opportunity to present your situation and get advice from members of the team on gaining experience in the sector, where to look for jobs and what we look for in staff.

Upcoming sessions:

- Tuesday 8th December 7:15 – 8:45pm
- Wednesday 13th January 6:15-7:45pm
- Tuesday 9th February 7:15-8:45pm

Please contact Bonnie Chiu on bonnie@tenyearstime.com to RSVP as spaces are limited or if you would like more information on future events.

The sessions are held at our central London offices.
